

2017 FAI National Draw

1) Background

Since 2013, the FAI has delivered the *FAI National Draw* to provide a straight forward and risk free fundraising option for any club or league that wanted to avail of it. During its first three years the Draw has been a huge success with more than 1,000 clubs taking part and more than 100,000 tickets sold each year. In total the draw raised more than €3,500,000 for grassroots football to date.

2) How it works

- a) FAI organises all prizes, licensees, printing & the final draw, etc.
- b) Clubs purchase tickets from FAI for **€1.50 each**
- c) Clubs sell the tickets for **€10 each**
- d) All money from tickets sold is kept by the club

3) Benefits to the club

- Readymade fundraiser with little or no financial risk
- Min. order of just 20 tickets, no max. order
- Order more tickets at any time
- Club name printed on every ticket
- Posters & flyers provided to all clubs

4) Draw Details

There are three separate draws that tickets will be entered into:

a) Club Draws

Any club that orders more than 100 tickets will receive bonus prizes just for those who buy tickets from that club. The FAI will provide the prizes and the club will undertake this draw themselves. The clubs can add their own prizes to this draw if they wish.

b) Regional Draws

To give each ticket holder the best chance of winning they will be entered into a regional draw with prizes just for tickets sold within that region. The four regions are:

- | | |
|-----------|------------------------|
| • Dublin | • Rest of Leinster |
| • Munster | • Ulster and Connaught |

c) National Draw

Every ticket will also be entered into a National Draw with a host of additional prizes

5) Ordering tickets & key dates
